

To whom it may concern,

David Fulton has worked with my company Macaw Development and www.thecostaricateam.com extensively in the past and we are in hopes to attain his services again in the future.

David and I have worked hand in hand to accomplish goals that included extreme conditions on raw land in Costa Rica and in my offices as well.

I believe that he will be a great asset to any company that is blessed with his professionalism and dedication.

David has always shown a great aptitude for adaptation and foresight into projects.

Feel free to contact me at any time regarding his work with me.

Also see some of his work on www.thecostaricateam.com
